GIN GIÒ

TUSCANY GIN

Gin-Giò is born from our selection of freshly harvested botanicals, each individually distilled by the renowned Nannoni distillery, located in the heart of the Tuscan Maremma.

This distillation technique best reflects our artisanal and rural spirit — it is essential to distill each botanical at its optimal stage of ripeness. Only then are the individual distillates blended to create our GIN.

GinGiò is dedicated to Mamma Giovanna, perfectly embodying her fresh and bold character, while also being sweet and delicate.

BOTANICS

The undisputed star of this Gin is the Kumquat, also known as the “Chinese Mandarin,” which brings a citrusy flavor and a burst of freshness. Cypress, Rosemary, and Olive give this Gin its distinctive character, transporting you to the Tuscan coast, among the vineyards of Terre del Marchesato.

Botanicals: Juniper; Kumquat;
Sweet Orange; Lemon;
Cypress; Rosemary; Olive;
Thyme; Marjoram; Jasmine.

Alcohol: 42% vol

Distillation:
discontinuous

Serving temperature:
18 ° - 20 °

500 ml

TASTING NOTES:

Colore: Transparents

Profumi: On the nose, the distinctive citrusy note of Kumquat stands out, while the background is enriched by the aromas of rosemary, cypress, and olive, typical scents of the Mediterranean maquis.

Sapore: On the palate, a contrast between the freshness of citrus fruits and Mediterranean botanicals creates a bold and refreshing flavor.

Tonica: Neutral tonic water.
